WORKSHOP ON INDEX OF INDUSTRIAL PRODUCTION

The Index of Industrial Production (IIP) is a key macro-economic indicator for assessing the performance of the industrial sector. The index is used by various organizations, institutes, researchers, etc. in policy formulation and strategic interventions. Recently the base year was revised from 2004-05 to 2011-12 and introduced several new concepts.

2. To familiarize users of the changes made in the new IIP Series with base year 2011-12, Central Statistics Office (CSO) is organizing a half-day **Interaction Workshop on the 30th August 2017 at VigyanBhawan, New Delhi**. The Workshop will focus on sensitizing users on the scope, coverage and methodology adopted.

3. Organisations and Institutions interested in participating may nominate their candidates by filling up their details in the specified format available on the website of this Ministry and send it by email to iipcso@nic.in latest by **18th August 2017**. The registration is **free-of-cost**. However, candidates will need to bear their own cost for travel, accommodation and other incidentals.

4. As there are limited seats available, participants are requested to register at the earliest. Confirmation of participation will be intimated by CSO by email.
