Government of India

Citizen's / Client's Charter

for

(Ministry of Statistics and Programme Implementation)

(2016-2017)
Vision Mission

**Vision**

To be the best and most innovative National Statistical System in the world; and to effectively monitor the programmes and projects for ensuring efficient use of national resources.

**Mission**

1. To make available reliable and timely statistics and to undertake regular assessment of data needs for informed decision making.
2. To cater to the emerging data needs in a dynamic socio-economic context, to reduce respondent burden and to avoid unnecessary duplication in data collection and publication.
3. To adopt and evolve standards and methodologies for statistics generated by various elements of the National Statistical System and to steer its development for further improvement and bridging data gaps.
4. To ensure and strengthen trust and confidence of all stakeholders in the National Statistical System by maintaining confidentiality of data providers and promoting integrity and impartiality of all elements of official statistics.
5. To provide leadership and coordination to ensure harmonious, efficient and integrated functioning of all the elements of the National Statistical System.
6. To continue to assess skill requirement, and develop human resource capacity at all levels of the statistical system.
7. To participate and contribute actively in all international initiatives and to support development of Statistical Systems around the world.
8. To facilitate and monitor infrastructure and large central projects to achieve high performance levels through systems improvement, and adoption of best practices.
9. To facilitate and monitor the implementation of Members of Parliament Local Area Development Scheme (MPLADS), Twenty Point Programme and other programmes and schemes for socio-economic development of the country.
