Dated: 20th November, 2008

Release of linked CPI (UNME) for September, 2008

The Consumer Price Index for Urban Non-Manual Employees [CPI (UNME)] numbers on base 1984-85=100 in respect of 59 urban centres and all -India were earlier compiled and released by the Central Statistical Organisation, Ministry of Statistics and Programme Implementation. Because of outdated base year and also deployment of field investigators for collection of price data for a broad based CPI (Urban) number, the National Statistical Commission in its meeting held on 15.2.2008 decided to:

- i. discontinue the CPI (UNME) and
- ii. adopt link index, based on ratio method after aggregating the sub group level indices of Labour Bureau's CPI (Industrial Workers) using CPI (UNME) weights at group/sub-group level for all India.
- iii. Compile linked CPI(UNME) numbers till new series of CPI(Urban) is brought out

2. Based on the methodology given by National Statistical Commission, ratio of CPI (UNME) numbers to CPI (Industrial Workers) numbers for each of the 24 months for the two year period from January, 2006, December, 2007 at sub-group level has been worked out. Average ratio at each level based on 24 months figure is taken as the linking factor at the respective level. The CPI (UNME) weights have been used to get the indices at group and all groups levels.

3. Price collection for CPI (UNME) was discontinued with effect from April 2008. As decided by the National Statistical Commission, linked all- India CPI (UNME) numbers for the month of September 2008 are given below for meeting the requirement of users.

Linked all- India CPI (UNME) on base 1984-85=100 for September 2008

Group	UNME weight	Linked index for September 2008	Index for September 2007	% change
I Food, beverages, tobacco	47.13	583	515	13.2
II Fuel and light	5.48	620	584	6.2
