Twenty Point Programme – 2006

An Introduction

The Twenty Point Programme (TPP) was launched by the Government of India in the year 1975 and was restructured in 1982, 1986 and again in 2006. The restructured programme, known as Twenty Point Programme (TPP) – 2006, became operational with effect from 1st April 2007. The programme is meant to give a thrust to schemes relating to poverty alleviation, employment generation in rural areas, housing, education, family welfare & health, protection of environment and many other schemes having a bearing on the quality of life, especially in the rural areas.

2. The programmes and schemes under the TPP-2006 are in line with the priorities contained in the Millennium Development Goals (MDGs) of the United Nations and SAARC Social Charter. The original nomenclature, namely the Twenty Point Programme, which has been in existence for more than three decades and carries the stamp of familiarity among the people and administrative agencies, has been retained.

3. Twenty Point Programme (TPP) – 2006 originally consisted of 20 Points (**Annexure-1**) and 66 items being monitored individually by Central Nodal Ministries concerned. Up to 2007-08, out of 66 items, 22 items were monitored on monthly basis. From 1st April 2008 *Sampoorna Grameen Rojgar Yojana* (SGRY) has been merged with another item namely *National Rural Employment Guarantee Act* which has now been renamed as *Mahatma Gandhi National Rural Employment Guarantee Act* from 31st 2009. Therefore, SGRY has been dropped from the list of 66 items and only 65 items are now monitored under TPP-2006 (since 2008-09). The list of 65 items is enclosed at **Annexure-2**.

4. Out of 65 items, 20 items are being monitored on monthly basis during the period 2013-14 against the targets fixed at the beginning of financial year by the Central Nodal Ministries and State Governments (information in respect of 16 items is being collected from various States/ UTs and for remaining 4 items from the concerned Central Nodal Ministries) (**Annexure-3&4**). The remaining items under TPP-2006 are being monitored on annual basis as the information in respect of these items is made available by the concerned Central Nodal Ministries only on annual basis. These 65 items consist of 162 identified parameters. However, for the purpose of monthly performance, 20 identified parameters have been taken (**Annexure-5**).

5. Some of the schemes/programmes are yet to be operationalised by the Central Nodal Ministries concerned. These items will be monitored only after the schemes come into existence and their frequency of monitoring will also be decided later. The details of such items are available at **Annexure-6**.

6. The monitoring mechanism for TPP-2006 has been widened by including Block level monitoring in addition to District, State and Central level monitoring. Most of the States/Union Territories have constituted Block, District and State level monitoring committees. At the Centre, the progress of individual items is monitored and reviewed by the Departments/Ministries concerned. The Ministry of Statistics & Programme Implementation (MOSPI) monitors the programme/ schemes covered under TPP-2006 on the basis of performance reports received from State Governments and Central Nodal Ministries.

TWENTY POINT PROGRAMME - 2006

PART - I

OVERALL PERFORMANCE ANALYSIS

Twenty Point Programme-2006

Progress Report* – (April - 2014)

1. This monthly progress report of Twenty Point Programme-2006 consists of two parts: **Part-I** contains an analysis of the overall performance, whereas **Part-II** deals with item-wise performance.
2. The report is compiled on the basis of data received from the Central Nodal Ministries and State Governments/UT Administrations. The data is received either through web enabled software developed by National Informatics Centre (NIC) Cell in this Ministry or through fax/e-mail/post. The processing of data has been done in association with NIC Cell.
3. The analysis for the period **April 2014** shows that the performance under **seven items** has been **‘Very Good’** (90% or above the targets). These items are:
 - (i) Individual Swarozgaries assisted under SGSY

6. Some of items under TPP-2006 namely *Mahatma Gandhi National Rural Employment Guarantee Scheme (MGNREGS)*, *Self help Groups formed under SGSY*, *Sanitation Programme in Rural Area* and *Institutional Delivery* are demand driven and no targets are assigned by concerned nodal Ministries whereas for items like *Distribution of Wasteland to the landless* and *Minimum Wages Enforcement (including Farm Labour)*, concerned administrative Ministries are not in position to provide State/UT-wise targets; as such all these items are being monitored on monthly basis without any targets. The item ‘SC families assisted’ has been bifurcated and w.e.f. September 2013 is monitored on two parameters. In items where quarterly/ annual targets have been provided by the Ministries concerned, monthly targets have been worked out on prorata basis.

* Based on monthly monitored 20 Parameters.
