<i>Title</i>	<i>Page Nos.</i>
<b>Highlights</b>	<b>H1 – H2</b>
<b>Section One Introduction</b>	<b>1 - 5</b>
<b>Section Two Concepts, Definitions and Procedures</b>	<b>6 - 14</b>
<b>Section Three Summary of Findings</b>	<b>15 - 68</b>
<b>Appendix A Detailed tables</b>	<b>A1 – A341</b>
<b>Appendix B Sample Design and Estimation Procedure</b>	<b>B1 – B14</b>
<b>Appendix C Schedule of Enquiry – Schedule 1.2</b>	<b>C1 – C8</b>
<b>Appendix D National Industrial Classification-1998</b>	<b>D-1</b>
<b>Appendix E Cell-wise Relative Standard Errors of Some Tables of Appendix A</b>	<b>E1 – E43</b>
<b><i>Appendix A Detailed tables</i></b>	
Table 1	A1
Table 2	A2-A4
Table 3	A5-A7
Table 4	A8-A10
Table 5	A11-A17
Table 6	A18-A31
Table 7	A32-A38
Table 8	A39-A45
Table 9	A46-A51
Table 10	A52-A54

<b>Appendix A</b>	<b>Detailed tables (continued)</b>	<b>Page Nos.</b>
Table 11	Number of households by principal occupation (NCO '68) per 1000 households for each State/UT	A55-A60
Table 12	Number of households by principal occupation (NCO '68) per 1000 households for each MPCE class	A61-A63
Table 13	Number of households by distance (normally travelled) to the place of work of the principal earner of the household per 1000 households for each State/UT	A64-A69
Table 14	Number of households by maximum distance (normally travelled) to the place of work of any member of the household per 1000 households for each State/UT	A70-A75
Table 15	Number of households by migration status and social group per 1000 households for each State/UT	A76-A81
Table 16	Number of households by migration status and social group per 1000 households for each land possessed class	A82-A84
Table 17	Number of households by migration status and social group per 1000 households for each MPCE class	A85-A87
Table 18	Number of households by location of their last residence per 1000 households who moved to the village / town of enumeration during last 365 days for each state / UT	A88-A92
Table 19	Number of households by nature of movement per 1000 households who moved to the village / town of enumeration during last 365 days for each state / UT	A93-A95
Table 20	Number of households by reason for movement from last residence per 1000 households who moved to the village / town of enumeration during last 365 days for each state / UT	A96-A100
Table 21	Number of households by nature of movement per 1000 households who moved to the village / town of enumeration during last 365 days for each reason for movement	A101-A103
Table 22	Number of households by nature of movement per 1000 households who moved to the village / town of enumeration during last 365 days for each location of last residence	A104-A105
Table 23	Number of households by nature of movement per 1000 households who moved to the village / town of enumeration during last 365 days for each MPCE class	A106-A108
Table 24	Number of households by type of structure where the household lived last per 1000 households who moved to the village / town of enumeration during last 365 days for each present structure type	A109-A110
Table 25	Number of households by household size per 1000 households where at least one member has moved into the household during last 365 days for each state / u. t.	A111-A115

**Appendix A****Detailed tables (continued)****Page Nos.**

Table 26	Number of households by household size per 1000 households where at least one member has moved into the household during last 365 days for each MPCE class	A116-A118
Table 27	Number of households by household size per 1000 households where at least one member has moved out of the household during last 365 days for each state / u. t.	A119-A123
Table 28	Number of households by household size per 1000 households where at least one member has moved out of the household during last 365 days for each MPCE class	A124-A126
Table 29	Number of households by major source of drinking water per 1000 households for each state / u. t.	A127-A132
Table 30	Number of households by availability of drinking water, source of drinking water per 1000 households for each state / u. t.	A133-A138
Table 31	Number of households by primary source of energy for cooking per 1000 households for each State/UT	A139-A144
Table 32	Number of households by primary source of energy for cooking per 1000 households for each MPCE class	A145-A147
Table 33	Number of households by primary source of energy for lighting per 1000 households for each State/UT	A148-A153
Table 34	Number of households by primary source of energy for lighting per 1000 households for each MPCE class	A154-A156
Table 35	Number of households possessing selected items per 1000 households for each State/UT	A158-A169
Table 36	Number of households possessing selected items per 1000 households for each MPCE class	A170-A175
Table 37	Number of households by primary source of energy for cooking per 1000 households for each social group	A176-A177
Table 38	Number of households by primary source of energy for lighting per 1000 households for each social group	A178-A179
Table 39	Number of households possessing selected items per 1000 households for each social group	A180-A183
Table 40	Number of households by area type in which their house is located per 1000 households for each State/UT	A184-A189
Table 41	Number of households by area type in which their house is located per 1000 households for each MPCE class	A190-A192
Table 42	Number of households by structure type of their house per 1000 households for each State/UT	A193-A197
Table 43	Number of households by arrangement of garbage disposal per 1000 households living in a house for each State/UT	A198-A200
Table 44	Number of households by arrangement of garbage disposal per 1000 households living in a house for each MPCE class	A201-A202

**Appendix A****Detailed tables (continued)****Page Nos.**

Table 45	Number of households by arrangement of garbage disposal per 1000 households living in a house for each structure type	A203
Table 46	Number of households by area type in which their house is located per 1000 households for each social group	A204-A205
Table 47	Number of households by area type in which their house is located per 1000 households for each social group	A206
Table 48	Estimated number of households living in hired accommodation by monthly rent class and average monthly rent payable for each State/UT	A207-A216
Table 49	Estimated number of households living in hired accommodation by monthly rent class and average monthly rent payable for each MPCE class	A217-A222
Table 50	Estimated number of households not living in hired accommodation (excluding households with no dwelling) by monthly rent class and average imputed monthly rent payable (in Rs.) for each State/UT	A223-A232
Table 51	Estimated number of households not living in hired accommodation (excluding households with no dwelling) by monthly rent class and average imputed monthly rent payable (in Rs.) for each MPCE class	A233-A238
Table 52	Number of households by monthly rent class and average non-adjustable deposit paid per 1000 households living in hired accommodation for each State/UT	A239-A248
Table 53	Number of households by monthly rent class and average non-adjustable deposit paid per 1000 households living in hired accommodation for each MPCE class	A249-A254
Table 54	Number of households by monthly rent class and average non-adjustable deposit paid per 1000 households living in hired accommodation for each structure type	A255-A258
Table 55	Number of households by residential status of landlord per 1000 households living in hired accommodation (except employer quarter) for each State/UT	A259-A263
Table 56	Number of households by residential status of landlord per 1000 households living in hired accommodation (except employer quarter) for each rent class	A264-A266
Table 57	Number of households by year of taking on rent per 1000 households living in hired accommodation for each state/UT	A267-A271
Table 58	Number of households by year of taking on rent per 1000 households living in hired accommodation for each rent class	A272-A274
Table 59	Average rent paid per household (in Rs.) living in hired accommodation by year of taking on rent for each State/UT	A275-A279
Table 60	Average rent paid per household (in Rs.) living in hired accommodation by year of taking on rent for each MPCE class	A280-A282

<b>Appendix A</b>	<b>Detailed tables (continued)</b>	<b>Page Nos.</b>
Table 61	Number of households by number of married couples in a household per 1000 households for each State/UT	A283-A288
Table 62	Number of households by number of married couples in a household per 1000 households for each MPCE class	A289-A291
Table 63	Estimated number of households by number of married couples in a household and proportion of married couples not getting a separate room among households with at least one married couple for each state/UT	A292-A297
Table 64	Estimated number of households by number of married couples in a household and proportion of married couples not getting a separate room among households with at least one married couple for each MPCE class	A298-A300
Table 65	Number of households owning cultivable land elsewhere inside the country by place of the cultivable land owned elsewhere per 1000 households for each State/UT	A301-A306
Table 66	Number of households owning cultivable land elsewhere inside the country by place of the cultivable land owned elsewhere per 1000 households for each land possessed class	A307
Table 67	Number of households owning cultivable land elsewhere inside the country by place of the cultivable land owned elsewhere per 1000 households for each MPCE class	A308-A310
Table 68	Number of households by duration of stay in slum per 1000 households staying in notified / non-notified slum for each State/UT	A311-A313
Table 69	Number of households by duration of stay in slum per 1000 households staying in notified / non-notified slum for each MPCE class	A314-A315
Table 70	Number of households by place of stay before coming to the slum per 1000 households staying in notified / non-notified slum for each State/UT	A316-A318
Table 71	Number of households by place of stay before coming to the slum per 1000 households staying in notified / non-notified slum for each MPCE class	A319-A320
Table 72	Number of households by type of structure of accommodation before coming to the slum per 1000 households staying in notified / non-notified slum and was residing in same town before coming to the slum for each State/UT	A321-A323
Table 73	Number of households by type of structure of accommodation before coming to the slum per 1000 households staying in notified / non-notified slum and was residing in same town before coming to the slum for each MPCE class	A324-A325

<b>Appendix A</b>	<b>Detailed tables (continued)</b>	<b>Page Nos.</b>
Table 74	Number of households by reason for movement to the slum per 1000 households staying in notified / non-notified slum and was residing in same town before coming to the slum for each State/UT	A326-A328
Table 75	Number of households by reason for movement to the slum per 1000 households staying in notified / non-notified slum and was residing in same town before coming to the slum for each MPCE class	A329-A330
Table 76	Number of households by reason for movement to the slum per 1000 households staying in notified / non-notified slum and was residing in same town before coming to the slum for each structure type of accommodation availed before coming to the slum	A331
Table 77	Number of households by possession of some specific documents per 1000 households staying in notified / non-notified slum for each State/UT	A332-A334
Table 78	Number of households by possession of some specific documents per 1000 households staying in notified / non-notified slum for each MPCE class	A335-A336
Table 79	Number of households by receipt of benefit and number of households who have attempted to move out of the slum with reason thereof per 1000 households staying in notified / non-notified slum for each State/UT	A337-A339
Table 80	Number of households by receipt of benefit and number of households who have attempted to move out of the slum with reason thereof per 1000 households staying in notified / non-notified slum for each MPCE class	A340-A341

<b>Appendix E</b>	<b>Cell-wise estimated Relative Standard Error (RSE) of some tables of Appendix – A</b>	<b>Page Nos.</b>
Table 6RSE	Estimated relative standard error (RSE) (in percentage) of estimated number of households by gender of head of household and social group of the household for each State / UT	E1-E7
Table 10RSE	Estimated relative standard error (RSE) in percentages of number of households by principal industry (NIC '98) of the household per 1000 households for each MPCE class	E8-E10
Table 30 RSE	Estimated relative standard error (RSE) of number of households by availability of drinking water, source of drinking water per 1000 households for each State/UT	E11 – E16
Table 35RSE	Estimated relative standard error (RSE) of number of households possessing selected items per 1000 households for each State/UT	E17-E28
Table 36RSE	Estimated relative standard error (RSE) of number of households possessing selected items per 1000 households for each MPCE class	E29-E34
Table 49RSE	Estimated relative standard error (RSE) (in percentage) of number of households living in hired accommodation per 1000 households living in hired accommodation by monthly rent class and average monthly rent payable for each MPCE class	E35-E40
Table 68RSE	Estimated relative standard error (RSE) (in percentage) of number of households by duration of stay in slum per 1000 households staying in urban notified / non-notified slum for each State/UT	E41-E43
