

OUR MISSION

- **To maintain statistical standards, and reorient the processes and priorities in the realm of official statistics, in tune with the changing technological and economic environment and needs.**
- **To collect, coordinate, collate and disseminate credible and timely statistics for informed decision making and debate, within and outside the Government.**
- **To promote human resource development in the official statistics and encourage research and development in theoretical and applied statistics.**
- **To facilitate and monitor infrastructure and large central projects for minimizing the cost and time overrun and for achieving high performance levels through systems improvement, and adoption of best practices.**
- **To facilitate the efficient implementation of Member of Parliament Local Area Development Scheme (MPLADS), Twenty Point Programme and other programmes and schemes for socio-economic development of the country.**
